## APPLICANTS MUST READ AND SIGN BELOW (If Contacted for An Interview)

I hereby authorize Superior Pavement Marking, Inc. hereafter referred to as "Superior" to investigate my past employment, education, criminal background history, credit history, driving record, medical history, worker's compensation history, military service, and other matters as may be necessary in arriving at decisions relating to my employment. Further, I release my previous employers, personal referees and all other responders to Superior inquiries from liability of damages on account of having furnished information about me in good faith and in accordance with applicable laws.

I understand that current and/or previous employers will be contacted for the purpose of investigating my records. In particular, I authorize Superior to seek information concerning my criminal background history, my driving history, my safety performance history, and my participation in-and results of employer drug and alcohol testing (including refusals) in accordance with Federal Motor Carrier Safety Regulations (FMCSR). Accordingly, I acknowledge my consent-with special regard to government law enforcement agencies, related third party report services, and other persons or organizations holding such information about me-to share these records with Superior; releasing them from any liability for their contributions. I acknowledge my right: 1) to review information provided by previous employers; 2) to have errors in the information corrected by previous employers and for those previous employers to resend the corrected information to the prospective employer; and 3) to have a rebuttal statement attached to the alleged erroneous information if the previous employer(s) and I cannot agree on the accuracy of the information.

Should I become a Superior employee, I acknowledge the requirement of periodic inquiries into my FMCSR-related records during and after my period of employment. Accordingly, I extend my consent and release of liability for damages regarding persons or organizations involved in sharing my FMCSR records during and beyond my period of employment. A telephone facsimile (FAX) or a scanned or photographic copy of this authorization shall be as valid as the original.

I acknowledge that Superior seeks to hire-without discrimination-only lawful workers. I hereby confirm my eligibility for legal employment within the U.S. and I understand that my identification and my eligibility for legal employment within the U.S. will be verified with the U.S. Department of Homeland Security and the Social Security Administration.

I understand that I am entitled to a statement of my rights under the Fair Credit Reporting Act. I understand that information regarding sex, race and date of birth is requested in compliance with federal and state laws and will not be used to discriminate against me.

I certify to the accuracy and completeness of all information I provide in this application and during any subsequent interview(s). I understand that providing false or misleading information may result in a rejection of my application or a termination of my employment and associated benefits in the event that I am employed with Superior. Finally, I understand that I am required to abide by all of Superior's rules and regulations.
